Publishing a Map (suggestion by Martin Gamache):

The suggestion had positive response among the participants. This may be an idea for the next workshop. Also other types of publications (like a “map-book”) should be discussed.

5. State/future of web-site

Karel Kriz explained the current state and future development of the Commission on Mountain Cartography website. ETH-Zürich (Main website, Webmaster: Stefan Raeber will carry on the work as webmasters for the immediate future. The CMC-member database will be updated and linked through the official website. Pictures of the workshop will be collected by Roger Wheate, formatted, and then published on the website.

6. Members reports, possible joint activities

GeoCart'2014 (note by Geoff Aitken):

The seventh National Cartographic Conference GeoCart'2014 and 3rd ICA Regional Symposium on Cartography for Australasia and Oceania will be running together this year and convene in Auckland (University of Auckland), 3rd to 5th September 2014 (<http://web.env.auckland.ac.nz/public/geocart2014/>).

- Call for abstracts and participation ICA conference Rio 2015 – paper sessions are planned on mountain cartography. Coordination of the sessions through the commission was suggested.
- Terms of Reference, Report, and Poster for ICA conference Rio 2015 will be coordinated by the commission (Dusan Petrovic and Karel Kriz)

7. Preview: ICC Brazil and discussion, proposals for CMC workshop 2016

There will be a Session on mountain cartography at the ICC 2015.

Chair of Commission: The formal decision for the next period of 4 years will be met before the Commission meeting at the ICC.

Potential chair candidates are:

- Dušan Petrovič
 - Tom Patterson
-
- Discussion about the next proposed workshop 2016: No official bid has yet been presented, however it was suggested to envisage a potential location in Europe. Final decision must be made by Rio 2015 after a detailed budget plan and preliminary program is presented to the commission.
 - Potential locations and discussion for upcoming workshops: Germany (Manfred Buchroithner), Austria (Schneeberg-Region, Karel Kriz) - Norway (Bjørn Sandvik), Slovenia and Switzerland were also mentioned however have not yet been officially informed. USA East Coast 2018 (Tom Patterson, Martin Gamache, Alex Tait) was also discussed.

8. Announcements, a.o.b., next meeting (all)

Karel Kriz discussed possible issues concerning the future of the commission and suggested a search for successors for chairing the commission after 2015. The next commission meeting will be at ICA Conference in Brazil, August 2015.
